St John's Stevenston  
Invitation to be involved / more  
involved in Parish life**

I am grateful to all who give their time and energy in various ministries and work of the parish life. However some areas need more support and some people feel they are unable to continue their work or ministry.

No-one can make a commitment without knowing more about what is required so the first step is to provide information about the ministry or work which interests you.

Some areas of ministry require absolute confidentiality and discretion— all areas in the ministry require that essential checks (PVG) are carried out, especially if work involves children or vulnerable adults.

If you feel you would like more information please tick the area of interest and complete with your name, address and contact number on the back of the leaflet and leave it in the box provided in the porch or hand it into the parish office.
